

DrewDale64SoundBank. For ML PG-8X vst synth from Martin Lueders. GUI by ENV1.

Here are 64 patches I have created in both PG8X and Sysex file format file format. This is a slight remake of the 2X 32 patches I previously made, that can be found on ML's dropbox. Slight tweaks on chorus settings and number of voices have been made to some patches too.

Patches:

- 01 RESO PAD
- 02 WET BASS
- 03 MISTY PAD
